Section 8: Exposure Controls, Personal Protection

For Household Setting:

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

For Non-Household Setting:

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

Section 9: Physical And Chemical Properties

Appearance: an opaque, white, viscous emulsion.

Odor: characteristics

Physical State: lotion

pH: 5.75 - 6.25

Melting Point: Not determined

Vapor Density: Not determined

Boiling Point: Not determined

Flash Point: Not determined

Freezing Point: Not determined

Solubility in Water: disperses

Specific Gravity: 0.940 - 0.960

% VOC: Complies with Federal and State regulations for the VOC content.

Section 10: Stability And Reactivity

Condition to Avoid: No applicable information has been found.

Chemical Stability: Stable

Other Recommendations: None

Section 11: Toxicological Information

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseen use.

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.
